

Fall 2023 Newsletter

Be on the lookout for the new and improved Credit Union Website.

We are excited to announce a new MFFCU website is getting ready to launch. In the upcoming weeks, you will notice a fresh, easier to use site. www.membersffcu.org

The new website includes enhanced compatibility for a variety of devices, making it more responsive than our previous design. It will have easy navigation and convenient new features. You will still be able to get to online banking directly, and other sites that pertain to you.

We're excited and we know you will be as well. Feel free to let us know what you think when it goes live by sending us an email at info@membersffcu.org

Borrow responsibly.

We encourage students and families to start with savings, grants, scholarships, and federal student loans to pay for college. Students and families should evaluate all anticipated monthly loan payments, and how much the student expects to earn in the future, before considering a private student loan. Although we do not charge a penalty or fee if you prepay your loan, any prepayment will be applied as outlined in your promissory note — first to Unpaid Fees and costs, then to Unpaid Interest, and then to Current Principal.

Thank you, Veterans!

We at Members Financial FCU celebrate our Veterans, not just on Veteran's Day, but all year long. We appreciate you for fighting for our country and making the sacrifices you have made for us to still live freely. Home of the free because of the brave! We see you; we thank you, and we honor you!

Home Equity Loan

If you have a project and price tag in mind, a Home Equity Loan lets you take out a set amount and lock in a fixed rate, so you can count on standard monthly payments over your term. We can't wait to see what's next for you! When it comes to using your home's value, you might be surprised at everything it can help you accomplish. Members Financial FCU is here to discuss all the possibilities and find which route is right for you. Let's chat today.
